We had already given the proposal to start New Generation

Courses: 'Master of Business Economics' to equip the students with a fresh new learning experience and enhanced support to students whenever they need it.

#### **16.Academic bank of credits (ABC):**

We are an affiliated College under the University of Calicut, we do not have our own Academic Bank of Credit. Faculties are encouraged to undergo Refresher/ Orientation/ Short-term interdisciplinary/ Multidisciplinary Courses offered by various Universities. Four Ability Enhancement/ Audit courses are there in the UG curriculum to impart knowledge on Environmental Studies, Gender Equality, Human Rights and Disaster Management. The students Enhancement/ Audit courses are there in the UG curriculum to impart knowledge on Environmental Studies, Gender Equality, Human Rights and Disaster Management. The students can also attain these credits through online courses like SWAYAM, MOOC etc (optional). Three students of the department of Biochemistry successfully completed the NPTEL Online Certification Course on Dairy and Food Process and Products Technology and Biochemistry. They are exempted from the Audit Course Examination. The teachers had undergone Online Faculty Development Courses associated with various Universities and Institutions.

#### **17.Skill development:**

Soft skills are developed through certificate courses, methodology workshops, and core subjects. The Entrepreneurship Development Club, organized programs for soft skills development such as self-awareness, time management etc. The College is associated with the Additional Skill Acquisition Programme (ASAP), Government of Kerala and organizes various skill development programmes for the holistic development of students. The College has a placement cell to impart skill development to the students. National and regional festivals are celebrated to inculcate constitutional and cultural values. During the Covid pandemic, students are encouraged to prepare e-modules by integrating ICT into their lesson plans, and the same is shared on one to one basis.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Our College have Sanskrit Department, Malayalam Department, English Department and Functional English Departments to promote

Indian Language. Though we don't have a programme in Hindi, we are offering Hindi Common Course to our Under Graduate students. In addition to the UG and PG programmes, the Department of Sanskrit is offering two Certificate courses; one is Spoken Sanskrit to ease the conversation of Sanskrit and the other one is Desktop publishing in Sanskrit to familiarize the words of Devanagiri. The Department of Sanskrit offers an Open Course titled 'Management Principles in Sanskrit' and the Department of Malayalam is offering an Open Course in the name 'Sahithyavum Sargathmakathayum'.

The Department of History offers Certificate Course -Heritage studies, to provide an opportunity for students to contribute to their community in meaningful ways. The programme focuses on developing aptitudes for the preservation of our heritage, fosters awareness and tolerance of cultural diversity, and evaluates various kinds of cultural information. With the objective of promoting Indian Arts and Indian Culture, our College has Kalaripayattu Team who regularly won their title in University Events. The Department of History is planning to associate with the Archaeological Survey of India to protect the prehistoric Megalith burial site "Kudakkallu" in Ariyannur. The Department of Sanskrit is conducting a Seminar Series "Vanamali" and they are planning to conduct more of such programmes in association with Guruvayur temple

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The college offered 13 UG programmes and 5 PG programmes and two Ph.D programmes in 2020-21. By adopting various student centric methods, the institution played an important role for implementing outcome based education. The programme and course delivery is planned carefully for achieving the stated objectives and learning outcome. Being an arts and science college in an affiliated system, the faculty members have very limited role in the development of the curriculum, programme and syllabus which define the required outcome of various programmes offered by the institution. But the institution takes effective measures for achieving the desired outcome by conducting various innovating academic activities like peer teaching, online classes, webinars, job fairs etc.

#### **20.Distance education/online education:**

In 2020-21, due the outbreak of SARS -2 - COVID, most of the

classes were conducted in online mode. Teachers used various platforms like google class room, MOODLE, recorded and live sessions and webinars during these period. Certificate courses offered by the institution were also in online mode. Internal examinations, audit course examinations were also conducted via online mode. In order to improve the technical facilities, IQAC had submitted a proposal to PTA to develop an e- content development center with adequate facilities for recording MOOC like courses. Some students also opted NPTEL , SWAYAM courses during their course of study and IQAC took effective measures for promoting students for registering them in such courses offered by Govt. of India.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Sree Krishna College, Guruvayur ensures various student centric learning methods. Project work is mandatory for all UG and PG programmes. In PG programme, students have the freedom to choose the topic of project work after consulting with the teacher in charge. Some students had done their project work in other prestigious research centers and universities in India. Field work is mandatory for certain UG and PG programmes. However, the covid outbreak restricted students for doing such experiential learning.

In UG programmes, student can choose an open course from the list of open courses offered by the institution. Peer teaching for advanced and slow learners is one of the student centric learning initiative for understanding the topic in a better way. Seminar presentation is mandatory for all courses which is one of the criteria for internal assessment.

During 2020-21, due to the covid pandemic, most of the classes were in online mode via google meet, recorded sessions, google

class rooms etc. Participative learning is ensured by the teacher with active interaction of students via whatapp, telegram and also by providing assignments, quizzes etc..

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teachers used ICT enabled teaching methods to facilitate the teaching learning process and to improve student participation. Due to the outbreak of COVID pandemic, most of the classes in 2020-21 were in online mode. Teachers used various platforms like google meet, Zoom, google class room, youtube classes etc for providing lessons to students. Teachers used ICT enabled class rooms available in the institution for teaching. With the financial support of PTA, an e-content development center was established in the college. Teacher can record their classes in this e - content development center.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal Assessment is the integral part of UG and PG curriculum. Various parameters like internal exam, attendance, assignment, class room performance, seminar/via are used for the internal assessment as per the syllabus published by the affiliating university to each programme. An internal examination cell is functioning in the college which usually conduct common internal examination in every semester for UG programme. Department wise internal tests are conducted for PG programmes. The College council comprising of the Principal and Heads of the Departments plan the academic and non-academic activities and internal evaluation schedule of the year and the same is implemented via internal examination cell. The internal marks are published in the department notice board and the same is uploaded in the University portal

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The internal examination cell and students Grievance and redressal committee take effective measures in resolving grievances related to internal examination. If a student has given a complaint regarding the internal assessment, first step is to address the issue by the committee comprising of department head, teacher in charge. If it is not sorted out, it will be forwarded to internal examination cell. Even if it is not resolved in college level, it

will be forwarded to University of Calicut and will be resolved as per university norms.

The internal marks of various courses are displayed in the notice board before uploading the same into University portal. Before final submission, the internal marks will be available to students for checking.

In 2020-21, most of the internal test and audit course examinations were done in online mode. Some students have raised the issue of poor internet connectivity in their houses during online test. The internal examination cell in consultation with the Head of the Departments, gave provisions for the retest for such students.

### 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The "MoE's Innovation Cell (MIC)" was established by the Ministry of Education (MoE), Government of India, to systematically promote the innovation culture across all higher education institutions (HEIs). The main goal of MIC is to excite, motivate, and nurture young pupils by assisting them as they develop new ideas into prototypes throughout their academic years. MIC wants to promote the formation of "Institution's Innovation Councils" (IICs) in HEIs. IQAC and college council decided to establish an Institution's Innovation Council (IIC) in Sree Krishna College, Guruvayur to promote innovation in the institution through various modes, leading to an innovation promotion eco-system in the campus. Various programmes are conducted by IQAC and departments for the creation and promotion of innovation. There is a research committee at college level to promote research and innovation. The college encourages the research activities of faculty and students through Government funded projects and collaborative research. NSS and NCC units of the college participated in many extension

activities which are beneficial for the society. Many students-oriented events and programmes are conducted through online mode in departmental level including various competitions, quizzes and webinars etc.

### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Our college actively organized awareness of Covid 19 pandemic. NSS

volunteers and NCC cadets have done service to the public to make awareness of vaccination and sanitation. NCC cadets of Sree Krishna College conducted a Cycle rally in association with Kandanessery Gramapanchayath Health Center to spread the awareness about Pulse Polio vaccination. An awareness programme was organized on Mosquito-borne diseases and mosquito source reduction practices by the Department of Biochemistry and by visiting houses in the Ariyannur locality, and removed the mosquito propagating sources such as bottles, wastes etc fill with water in the premises of houses. NSS Volunteers participated in Pulse Polio Immunization volunteering to increase awareness of immunization of children in our locality and helped Covid 19 vaccination registration. NSS students cleaned the Connolly Canal by removing the plastic waste. We celebrate Women's Day by donating blood of NSS volunteers in collaboration with Indian Medical Association. NSS observed a dry day. We celebrated environment day 'Thalaphalam' by planting 1000 palmyra seeds in the locality. In connection with World Bamboo Day, NSS units with KFRI planted Bamboo trees. As part of Azadi ka Amrut Mahotsav, the NSS and NCC students participated in the clean India campaign. NSS volunteers distributed "Pothichoru" to differently-abled and economically-weaker sections of Guruvayur.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

A structured feedback system is encouraged by IQAC for the betterment of teaching leaning process.

Sree Krishna College, Guruvayur has a performance appraisal system for Teaching and Non-Teaching staff. All academic staff in the College fall in one of the three categories, which they have opted to be in: Teacher-Administrator, Teacher-Researcher, or Teacher-Mentor. All categories have teaching load, although the Teacher-Administrators have, in general, 2/3rds of the teaching load of the other two categories. All teachers are first assessed on their teaching performance, primarily based on the anonymous student feedback taken persemester . Depending on the category, they are also assessed against the expected output in their category. The academic staff concerned first fills a self-assessment form, to which his/her supervisor adds their remarks after having had a one-on-one with them.A similar process is followed for both non-teaching and technical staff, but there is greater subjectivity in assessments in their case as unlike teaching feedback and research output, many of the contributions of the non-teaching and technical staff are difficult to quantify. Therefore, the supervisor plays a bigger role in the appraisal process.

**7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management**

- The institution maintains an effective solid waste management system. The biodegradable wastes are treated by incineration. The non-biodegradable wastes, mainly plastic wastes are segregated and collected by external agencies from time to time. Students and staff are directed to collect such non-perishable wastes at the department level on a monthly basis. Each block is provided with waste collecting bins of various colour codes. A systematic method for segregation of waste has been initiated and directions for 'green' methods of waste disposal are given to the students and staff by the Student clubs.
- The College takes extreme care not to exude any hazardous material in the campus. Utmost care is taken to handle and store chemicals and other hazardous materials used for

laboratory purpose. Material Safety Data Sheets (MSDS) are maintained in all laboratories, which provide with the proper procedures for handling a particular substance.

- At present, the college lacks a systematic protocol for disposing liquid, chemical and e- wastes. Efforts are also being taken to implement an efficient water recycling practice inside the campus. A detailed proposal to implement a waste management system based on systematic protocols has been submitted to the management for immediate action

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

We, being the citizens of India, believe in diversity and we respect diverse religions, languages and customs. We create an environment in our College to embrace all these heterogeneities. The Sree Krishna College, Guruvayur, which is managed by Guruvayur Temple Devaswom Board, accommodates students and teachers from countless spheres of the society. Our college, functioning as the second home for students and staff, upholds the tradition of safeguarding good relationships with religion and preserving social harmony. Similarly our students also celebrated different festivals with joy and enthusiasm which will eventually enrich them to establish peaceful coexistence between antithetic populace. Since India is a diversified nation with millions of people we are endowed with endless forms of physical features and cultural patterns. It is a multilingual world and India is the significant territory with as many people practice almost all the major religions of the world. Representing our India traditionally, we have celebrated all the major festivals of our culture. Onam, the major festival of Kerala was held with onam sadya and pookkalam(flower carpet) contest. Eid ul-Adha, also known as Bakrid, was marked with a mehndi competition, while Christmas was marked by a cake-making and crib-making competition. Through these endeavours students become acquainted with a range of matters like the culture of our nation and helping to promote cultural tolerance and harmony, religion, languages, socio-economic societies and other diversity. This also elevates multicultural environment of the college and the community.

**7.2 - Best Practices**

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

- 1. Operation Annapoorna:** Operation Annapoorna is a project that aims to feed the starving by providing healthy food. We have been distributing more than 55 food packets gathered from college faculty and students every Wednesday. On a rotating basis, all students contribute food packets. Additionally, food kits are being donated by the faculty. Each member of the faculty and staff has the opportunity to participate in this charitable work. With the aid of the social welfare organisation "Athazhakootam," the food packets are gathered from various departments and given to needy homeless people.
- 2. Organic Farming:** A campus-based organic farm was established in response to the rising demand for organic food and in order to prepare our students for its production. We chose suitable locations on the college campus for that. We have grown various varieties of banana, chile, brinjal, lady's finger, cabbage, and tomato with the help of other Department students and NSS volunteers.

### 7.3.2 - Plan of action for the next academic year

- Plan to make this college's campus more environmentally friendly and to beautify it. Would want to plant various trees and plants in various locations across campus under the motto "Go Green Before Green Goes" to signify a green landscape and also to undertake anti-plastic activities.
- Plan to hold gender sensitization awareness camps, seminars, and effective interactive sessions for college staff, students, and the general public to raise knowledge of social extension activities and their influence on society.
- Proposal to arrange energy conservation programmes that would involve producing LED bulbs, replacing CFL and incandescent lights, and conducting energy audits to educate students and the general public about the different government schemes linked to current energy saving efforts. The institution would seek to implement the KSEB's rooftop solar projects as part of its energy saving programmes.
