

ACTION TAKEN REPORT-2019-2020

STUDENTS' FEEDBACK

Overall Analysis

According to industry standards and contemporary technology, it is vital to upgrade the students' knowledge level. Meetings, workshops, conferences, and other events can be held on time to accomplish this. In fact, 392 students out of 624 respondents said that the current curriculum aids in instilling in them employability, life, and soft skills crucial for their future demands. Overall, 390 students felt that the curriculum had given the chance to facilitate social cognitive and emotional growth in their life. They said they also got opportunities to study outside of the classroom through a variety of programs like conferences, workshops, seminars, and value-added events. Compared to other students, they anticipated more extracurricular learning activities.

Action Recommended

- Periodic review and enhancement of the syllabus to cope up with the goals and requirements of the program. Ensure the involvement of teachers and experts for the preparation of the syllabus.
- Syllabus should include all the activities which ensure the overall development of the students. In order to be more attractive and student friendly , ICT enabled classes are recommended.
- In addition to curricular activities , significance should be given to extracurricular activities too. Ensure more certificate programs and supplementary courses for the enrichment of student's knowledge

Action Taken

- All students were given feedback forms, and after that, almost all of them said that the curriculum was appropriate for their future needs. They concurred that regular curriculum revisions altered the way students interacted with one another in the classroom.
- This will offer a range of ICT resources for curriculum transactions in the classroom. However a few students expressed worry about the course's emphasis on employment and skill development.
- The college staff council received identical papers for review and possible follow-up, and the IQAC convened to discuss the student concerns. It has been decided that in addition to their curriculum, employability, life skills, and soft skills should be included through certificate programs and supplementary courses.
- It has been decided to offer more practical sessions in addition to the theoretical classes. For this reason, purely academic field trips and industrial visits will be made. Additional time was allotted for the pupils' extracurricular activities.

ACTION TAKEN REPORT-2019-2020

TEACHER' FEEDBACK

Overall Feedback

Of the 49 replies, 42 say that the curriculum and syllabus are need based. they also intimated they are free to use new methods and instructional resources while instructing students. When teaching, teachers often incorporate extra material outside the required syllabus. Of the teachers surveyed, 77% agreed that they had contributed to the curriculum as it was outlined in the syllabus. 14 percent of the educators strongly concurred. On this, 12% of the teachers had a neutral opinion. 14% of the instructors strongly disagreed with the statement, making up 16% of the teachers who disagreed.

Action Recommended

- Take steps to implement more academic activities like seminars and workshops at the department level.
- Implement an action plan for encouraging students to participate in the vocational counseling and placement programs.

Action Taken

- To allow students to engage in more activities, it is asked that the departments host more academic activities like seminars and workshops.
- The vocational counseling and placement unit has been directed to take action to increase to allow students to engage in more activities, it is asked that the departments host more seminars and workshops.
- It is the job of the career advising and placement cell to start recruiting more people on campus. The postgraduate departments of Commerce, Sanskrit, and Malayalam will soon be promoted to research departments.

ACTION TAKEN REPORT-2019-2020

EMPLOYER FEEDBACK REPORT

Overall Feedback Report

From the 18 responses it is clear that 14 responses prove that the employers are agreeing that the course was relevant up to the present scenario. They also agree that the electives offered are appropriate for the technological advancements in the current situation. They added the topics relevant to the industry. 33 percent of employers marked it as excellent. 27 percent marked it as very good and 33 percent marked it as good.

Action Recommended

- Establish structured programmes to ensure the enrichment of students' knowledge through more practical oriented sessions like seminars by experts, certificate and add on courses etc.

Action Taken

- The college's curriculum and syllabus were reviewed by employers in the field, who were asked to provide input via a feedback form. We did not receive a large number of responses.
- Everyone who participated gave positive comments, and employers also sent in a few recommendations that were discussed in the College Staff Council and IQAC meeting and formed the framework for the activities that followed.
- A broader introduction to business and practical knowledge is essential for students studying in both commerce and the arts. It has been recognized that this is the main fault.
- Planning seminars and gatherings with eminent people is necessary to increase their practical expertise. Certifications or add-ons will be provided for courses covering job-oriented skills including real-time accounting and tally.

ACTION TAKEN REPORT-2019-2020

ALUMNI FEEDBACK REPORT

Overall Feedback Report

Based on the input from former students, 80 percent of alumni agreed that the course was relevant for their jobs. 145 students concur that the curriculum enhances their capacity to resolve work-related issues. As a result, they can succeed professionally as well. The curriculum and syllabus materials are appropriate for placement and higher education, according to 59.4% of alumni. About the same, 20.3% of graduates strongly agreed.

Action Recommended

- Arrange more job fairs hosted by reputed companies.
- Encourage participation in extracurricular activities , clubs and student organizations that promote personal growth and well rounded development.

Action Taken

- The College Council's decisions were based on the feedback received from former students. This academic year, there will be more job fairs hosted by respectable companies.
- The ICT resources that are provided in the classrooms must be used to hold classes.
- An application was submitted to the university with the intention of converting the PG departments of Commerce and Malayalam into Research Departments.
- To boost students' confidence in their ability to participate in group discussions and competitive tests, the Language and Literary Club set out to create a Speech and Debate Club.
-

- The Career Guidance and Placement Cell evaluated the responses and scheduled career development classes to look into professional opportunities and continue with further education.
