Anti-Narcotic Cell (Vimukthi Club) of Sree Krishna College working under NSS units 190&191 of Sree Krishna College Guruvayur, conducting activities from 30 may 2021 onwards. And we got certificate of appreciation from Kerala excise department for the active participation in antinarcotic activities during 2023-24.

Alcohol / Drug / substances abuse is becoming an increasing menace in our nation especially in Kerala. Studies show that even school and college students are attracted towards liquor, narcotic, substances and tobacco products. The major case of concern is that a significant proportion of these young people eventually get addicted posing a threat to their own health and safety while creating untold miseries to their families and the public at large. In order to curb the above menace, the excise department as a part of Vimukthi mission conducts Anti-drug club. This stands for augmenting and strengthening the existing awareness programme against drugs and alcohol.
