

STUDENTS SATISFACTION SURVEY REPORT 2020-2021

Student Satisfaction Survey is conducted to upgrade the quality of higher education in the Teaching-Learning process. A student will have to respond to all the questions given in the following format with her/his sincere effort and thought. A pilot survey was initially conducted among the students; including both post graduate and under graduate students, to identify the difficulties and expectations of students on various facilities provided in the College. Based on the pilot study a pre-structured questionnaire was designed by incorporating all the variables identified in the pilot survey. All the questions were rated on a five point scale such as Strongly Agree, Agree, Neutral, Disagree and Strongly Disagree with scores 5,4,3,2 and 1 respectively. All the responses were analysed on a percentage scale and shown in the following table.

The survey gives the opinion of students about the efficiency of various facilities available in the college and also about the service provided by the teaching faculty. The overall satisfaction level of the students with the welfare services provided by the College is good. From the survey, more than 90% of the participants responded that they are satisfied with the services rendered by the college. The students are satisfied with their institution is proven as more than 80% of them are happy to recommend the institution to their peers. In addition to the rating of satisfaction level, almost all the students put forth various suggestions for betterment.

Major suggestions are highlighted below:

- ◆ In addition to printed journals, more e-journals have to be included in the list of journals.
- ◆ Mentoring and proper monitoring should be improved.
- ◆ The College should take measures to avoid Campus politics.
- ◆ Steps should be taken to improve classroom facilities.
- ◆ Betterment of Canteen facilities and maintenance of college buildings must be ensured.
- ◆ More attention to be devoted to improving lab facilities.
- ◆ Enhance the opportunity for girls, especially in sports.

- ◆ More workshops and seminars should be conducted and student participation must be ensured.
- ◆ Take more steps to make our Campus an eco-friendly one.
- ◆ Proper waste management mechanisms should be initiated.
- ◆ More classrooms had to be converted to smart rooms.
- ◆ Motivational classes f to be organized for those students who have talents but lack confidence.
- ◆ The college office should be more student-friendly.
- ◆ Involvement of political parties in the College is high. Better to reduce it and make our campus a politics-free campus.
