

Anton's MediCode[®]
AN EXPERTISE YOU CAN TRUST

Anton's MediCode
ADD-ON PROGRAM

ABOUT *us*

Founded in 2021, Anton's MediCode is a leading AAPC-approved and ISO-certified healthcare education institution dedicated to transforming careers in the IT-healthcare sector. With over 6,000 students trained, collaborations with 30+ colleges, 50+ hospitals, and 200+ multinational companies, we provide industry-focused training, hands-on exposure, and strong placement support across Kerala. Headquartered in Angamaly with branches in Kannur and Thrissur, Anton's MediCode continues to empower students with quality education and practical skills for successful healthcare careers.

Medical Coding & Billing

With AI Integration

Medical coding and billing help healthcare providers get paid. Medical coding translates diagnoses and treatments into standardized codes, while medical billing uses those codes to process insurance claims and patient payments. Together, they support accurate records and efficient reimbursement.
